The Finest Instruction

The Academy founders, Kristof and Hanna Starczewski have both performed internationally as Principal and Soloist dancers while members of respected dance companies. After learning the Vaganova teaching method in National Ballet in Poland and in the University of Frederic Chopin in Warsaw they began to begin the process of passing on their knowledge to young and hopeful ballerinas. The Starczewskis have a deep love and appreciation for the discipline, resulting in quality instruction

rarely found outside of Europe. Their extensive international performing and teaching backgrounds have led to many of their students being accepting into professional companies.

Performing It is understood that student will reserve his/her time to commit to SSoFB classes and performances. Performance fee is required from every student who chooses SSoFB, except adult, teen ballet and Mom & Tots. Performance fees are non-refundable. No dancer may miss Dress Rehearsal. It is essential to a good performance.

Attire- the students are required to wear attire supplied or directed by the Starchevski School of Ballet.
